Lake Albert Golf Club Championship

Conditions of Play

The Men's / Women's Club Championship will consist of the best qualifying round of two / three 18-hole rounds on the programmed dates for these rounds.

The top 8 / 4 scores in each grade will be the final 8 / 4 who will proceed to contest the club championship and plate via match play on the programmed dates, or as determined by the match committee. You may nominate in the grade above but not below.

If at the completion of the qualifying rounds or at any time any of the top 8 / 4 make themselves unavailable for the finals match play their replacement will be the next best qualifying score.

Play goes on until there is an advantage of 1 after the completion of the designated holes.

Grades will be as current on the first qualifying round.

Golf Carts may be used as desired. Electronic distance measuring devices may be used.

Any disputes will be handled by the Match Committee and their decision will be final.

The Match Committee reserves the right to change these conditions at any time.
